

SC Coastal Airstream Club #150

<https://airstreamclub.org/south-carolina-coastal>

A Note from The Vice President:

Dear Fellow Airstreamers,

We welcomed fall 🍁 at Givhans Ferry State Park with 10 rigs joining us for a lively rally with happy hours, a traditional Airstream breakfast of oatmeal with ice cream, delicious dinners, and ribs like no other! 😊 Between fairy hair, learning to plarn, paint and pour, and keeping an eye on the weather, there was never a dull moment! A little rain didn't dampen our spirits; we managed to stay dry and enjoy all the fun and shenanigans under the shelter all day Saturday. A big thank you to our hosts, Dale and Sandy Houge, for all your planning and preparation! ❤️ Make sure to check out our Facebook page for some pictures of the rally.

We're already looking forward to our November rally at CarrollWoods RV Park, a jewel of a campground where we had the June 2026 rally. If you haven't made your reservation yet, be sure to call the campground and let them know you're with the SC Coastal Airstream Club to receive our discounted rate. Hope to see you there! 👍

The story of CarrollWoods RV Campground & Vineyard & Its location.

With ambition in their hearts and a dream in their heads, Owners made the bold decision to move their young family from the booming town of Hickory N.C. down to the family farm & start what would soon become CarrollWoods RV Park. Staying true to their values, the Carrolls sought to open a business run by the family, and serving other families. A campground was the perfect match.

Located in the small community of Guideway NC, the Suggs family farm dates back seven generations! The property that is now CarrollWoods, was mainly used for growing tobacco and cotton in the days of the grandfather, great-grandfather, and so on. "We try to keep a piece of that history in the business as much as possible," says Christine. In the spring of 2005, the vineyard was started planting grapes on the land. Their endeavor was a wine vineyard. In early 2006, Grapefull Sisters Vineyard along with Inn 'd vine B&B opened to the public and has been serving a variety of great wine for guests ever since!

In 2007, Soon after the vineyard opened, the family moved back to the family farm and began construction on the campground. In spite of the ongoing recession, CarrollWoods RV Park successfully opened in April 2009, yay! Over the years, the campground has added many amenities such as a swimming pool, hiking trails, sand volleyball, camp store, dog run, wi-fi, and The Cellar (special events building). As well as adding amenities, many friends have been added throughout the years. These repeat guests, word of mouth referrals, and camping clubs have enabled us to grow the campground with the recent addition of 25 new campsites and two cottages!
