Sip of Northern Vermont

A Grapes & Grains Airstream Rally

October 1–4, 2027 • 10.2 @ Fox Hill • Alburgh, Vermont

Vermont flavors. Campfire evenings. Airstream friends.

Join Christian Slotter and Drew Dietz for a relaxed fall gathering at **10.2 @ Fox Hill**, their 10.2-acre property in Alburgh, Vermont. Situated on a peninsula just north of the Champlain Islands, Alburgh is a **pene-exclave**—connected by land to Canada, with bridges providing access to the rest of Vermont and Upstate New York. With views of Lake Champlain and the surrounding mountains in Vermont, Upstate New York, and Québec, Fox Hill offers a beautiful setting to reconnect with friends and make new ones.

At the heart of the weekend is a **provided tasting experience celebrating Vermont's beer from Kraemer & Kin and 14th Star, wine from Ellison Estates, and spirits from Caledonia Spirits and Whistlepig, along with food from The Hive food truck**. Explore a variety of local pours, discover new favorites, and enjoy good food and conversation with fellow Airstreamers. It's a chance to sample the flavors of our region together, with the lake and mountains as your backdrop.

Enjoy Airstream show-and-tell, unhurried afternoons taking in the views, and time to explore the nearby Champlain Islands. Take a scenic drive, visit island villages, or stop at local farm stands for harvest-season finds. With Canada just to the north, venture into Québec for a little cross-border exploring—discover Montréal's restaurants, culture, and shopping, or head into Québec's Eastern Townships to explore its wine scene, charming villages, and local boutiques. **If a Canadian adventure is on your list, remember to pack your passport!**

As evening settles over Fox Hill, gather around the campfire for s'mores, conversation, and another memorable night under Vermont's dark skies.
