

Carol Launderville, President

Hello Campers!

As we are all cleaning up from the holidays, I want to wish you all a Happy New Year!

I'm Carol Launderville, and I'm excited to serve as the Sacramento Valley Airstream Club President for 2026. I first joined the club in 2019, and it's been a great group to be part of.

I stepped into leadership as Secretary in 2023, then served as Vice President in 2024 and 2025. I'm looking forward to another year of traveling, connecting with new and old friends and keeping our club running smoothly.

Our club held the installation of new officers in November at the Black Oak rally. We celebrated despite some rainy weather. The adventurous went out hiking and some of us visited Indigency to sample their hard ciders. There are photos (page 2) of the rally.

The rally schedule I planned as VP1 for 2026 is set and Brian, our new VP1, has been busy working to find new campgrounds to explore in 2027. If you know of a great place to suggest for a club rally, contact Brian or any of our officers and we'll get it on the list to check out. You can also send us an email at club008@airstreamclub.org

See the rally schedule (page 3) for what we have set up on the joint rally calendar with the Greater Bay Area Airstream Club.

I have two challenges for every SVAC member this year-

-Review the rally calendar on our website or in our newsletters and come join us for at least one rally to get to know your fellow campers and so we can get to know you! We know some of you are still working so it's hard to get away for a weekend, but you'll be glad you did.

-Starting today, collect all the tabs off your soda/beer cans both at rallies or at home. Challenge your friends to save theirs. Airstream has a long-standing club tradition where the collected tabs are taken to our International Rally, cashed in for monies and donated towards a Ronald MacDonald House. Bring your saved tabs to the International Rally or give them to anyone that is going so we can support this charity.

We are so lucky to live in an area where we can camp year-round and I look forward to seeing you in the coming months.
