President's Letter

By Kathy Swangin

Recognize these words and the music they go to? Hint, it's from the musical The Sound of Music.

Raindrops on roses and whiskers on kittens

Bright copper kettles and warm woolen mittens

Brown paper packages tied up with string

These are a few of my favorite things...

President's Letter, continued

By Kathy Swangin

My Favorite Things is the theme for the SDAC Gift Basket for the auction at this year's Region 12 Rally in October. The Rally's Community Service Partner this year is Share Village and their Veterans Village Home Makeover Program. (<https://sharelasvegas.org>). The main vehicle of support is the live and silent auction on the final night of the rally.

So what are your favorite things that you take with you traveling or have in your Airstream that you would gift to another member? We are looking for donations and recommendations for items to include in our gift basket. To start us off we have a handmade quilt donated by Marlene Bowman. What other "favorite things" can we add to it?

If you have an idea, email me at kcs.sdac2026@gmail.com. If you have an item to donate and

- * Are attending the September Rally at Mission Bay, please bring your item with you.

- * Are attending the Region 12 rally, let me know what the item is and bring it with you.

- * Are not attending either but have an item to donate, please reach out to me at 760-213-1153 and let's work out a pick up.

If you've attended a Region Rally you know how much fun it is to view all the club gift baskets and see what everyone has come up with. Let's make this year's basket extra special and support a very worthwhile cause!

Parting thought from the Wally Byam Creed:

"To play some part in promoting international goodwill and understanding among the peoples of the world through person-to-person contact." - Wally Byam

Happy Camping and Safe Travels. See you down the road...

Kathy

A Wonderful Weekend at Serrano Campground in Big Bear

by Pam Davis

Our July three-night Rally in Big Bear was everything a camping getaway should be—perfect weather, relaxing, fun-filled and full of great company surrounded by the beauty of the mountains and lake.

The weekend began with a hosted happy hour to greet old friends and welcome new faces (the Greater Los Angeles Airstream Club joined us!) Mornings started with stretching/yoga under the pines. The weekend also included lots of Pickleball, a group hike to the Big Bear Discovery Center and a Mahjong lesson. On Saturday, we enjoyed a scenic boat ride on Big Bear Lake which gave everyone the chance to take in the breathtaking mountain views from the water. The calm lake and clear blue skies created the perfect backdrop for a relaxing afternoon. Of course we shared lots of meals: we enjoyed pizza with a Skymed presentation for Friday lunch, a full breakfast Saturday, a taco bar potluck that evening and Sunday breakfast concluded the gathering with a fancy coffee bar, donuts and Critter Fritters.

Weekends like this remind us that the true joy of Airstreaming isn't just the places we visit—it's the people we share the journey with. Thank you to everyone who helped organize the weekend and to all who participated.
