Quarterly Club Newsletter—Spring/Summer 2026

Our club name change is official. We are officially Ohio Valley Airstream Club. This name change is a way of representing both the Cincinnati and Miami Valley Clubs that merged several years ago into one unit.

Recent Events

Feb 20: Cocktail Hour @ 6PM—Archers Tavern, Kettering, Ohio

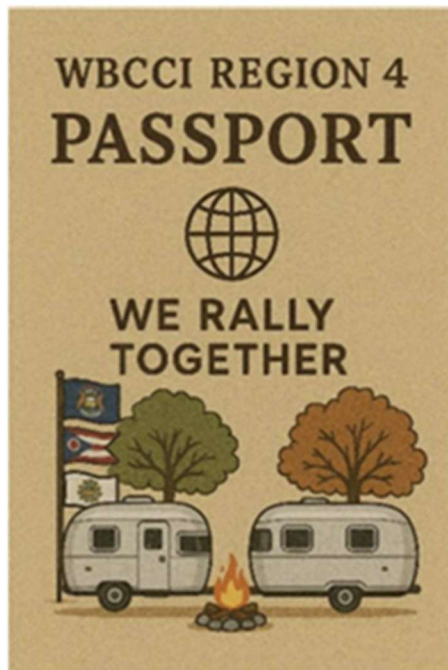

April 17: Cocktail Hour @6PM—Billy Yanks Restaurant & Bourbon Bar, Hamilton**April 30th to May 1st: Tin Can Opener**

Location—Jackson Center Headquarters: The first event of the season was memorable. Many took part in Airstream Factory Tours and enjoyed The Heritage Museum. On this trip, spring maintenance items were discussed and a spring checklist was provided. There were 13 rigs in attendance, so a great turnout.

The weather was a bit chilly—perhaps this should have been called the spring icebreaker. In spite of the weather, we were able to gather over coffee and doughnuts, go out to dinner several nights, visit the headquarters conference room for a meeting and enjoyed a trailer hop. Many members have either upgraded or renovated décor and/or electronics and features. It was a great time—even though we had wind, rain, low temperatures and ice.

Region 4 Rally Passport Program

Just a reminder... Region 4 has launched its Rally Passport program. Every club member in Region 4 will receive a passport booklet. The passport booklet is initially issued by each club and each club will have its own special stamp for rally attendance.

The object is to attend a rally from all seven Region 4 clubs and collect each club's stamp before the International Rally rolls around in 2028 (Jun 24–29 at the Mercer County Fairgrounds in Celina, OH).

The first 10 BRNs to complete the challenge will win something extra special and everyone who finishes will get a commemorative prize. We think this is a great way to explore rallies all over our region and meet more club members.

Safe travels and happy camping!
