Your Editor and Linda Joined the Viking Trail Caravan

My thanks to Cody for picking up the Newsletter duties while we invested 72 days on the road with our newest Airstream friends in Newfoundland and Labrador. Many of you in “the States” were hot and suffering. We wore our hoodies and windbreakers.

If you yearn for faraway adventures we recommend the Viking Trail Caravan. You are shown the best places ALL OVER the island. You camp in luxury for three nights and then you boondock on an abandoned airstrip in Labrador. (How many Airstream friends do you know who've camped in Labrador?)

You see puffins up close and icebergs up close. We gave two formal performances.

OF COURSE WE FLEW OUR STREAMING MUSICIANS CLUB FLAG, ALONG WITH VIRGINIA AND CANADA (TO HONOR OUR HOST COUNTRY).

WE ALSO BOUGHT A MUG

Your Lift for Visibility

Most of you are getting this Newsletter because we ****LOVE**** staying in touch with fellow musicians in the Airstream community. Only about 100 of you have added the *Streaming Musicians Intra-club* to your ACI membership. It's only \$10. We are completely volunteer led and administered. We use the dues to cover inventory purchases, banking fees, and facility rents.

Will you add YOUR small contribution to help lift the load? We'd love to have you [CLICK THIS LINK](#), and scroll down to join today.

Band Director's Corner

October 2026

Hello all,

I am not sure about everyone else but our experience in Minot was wonderful!

In the past five International Rallies that Steve and I have attended, I am not sure we have felt more welcomed by a community! They went all out to make visiting their community very special.

From the restaurants and local businesses to the community band members, it was such a fantastic experience.

I was so very proud of how well we all worked together, filling in parts as needed to make sure that each song sounded its best. Could not have asked for a better group! Thank you all!

Rock Springs International Rally is a short 8 months away. Please find the tentative rehearsal schedule on the next page...

The sign up genius for band and choral participation will be out soon so look for an email! We will once again be partnering with a community band and possible students from Rock Springs High School.

Enjoy the photographs and thank you all again for such an amazing time in Minot!

Mindy

President's Corner

October 2026

Hello Streaming Musicians!

As we settle into fall, I want to thank everyone who continues to stay involved with the Streaming Musicians and helps keep our group active throughout the year. Even though the International Rally in Minot is now behind us, there is already plenty happening as we begin looking ahead to next year.

Our officers will be meeting in the coming weeks to start discussing plans for the 2027 Airstream Club International Rally in Rock Springs, Wyoming. We have several things to talk through, including what worked well this year, opportunities to improve our presence at the International Rally, ways to reach more musicians throughout ACI, and how the Streaming Musicians can support and complement the International Band and Choir.

Because I would like to share some of the results of that discussion rather than getting ahead of the planning process, the November issue of Serenade will be coming out a little later than usual. That will give us an opportunity to include some information about what we're working on and what members can expect as we begin preparing for Rock Springs.

There will undoubtedly be opportunities for members to get involved as those plans take shape. Whether you play an instrument, sing, enjoy helping behind the scenes, or simply enjoy being part of the Streaming Musicians community, there is a place for you.

In the meantime, please continue sharing your musical adventures with us. If your local Airstream club is doing something involving music, you're performing somewhere during your travels, or you simply have something interesting to share with fellow members, we'd love to hear about it. Those stories and photos help make Serenade a newsletter about all of us—not just what happens once a year at International. I'm looking forward to seeing where we can take the group as we begin planning for another year together.

Safe travels and keep the music playing!

Cody
