President's Message

Hello, Streaming Musicians!

It's hard to believe we're already into November! It seems like we were just getting ready for the International Rally in Minot, and now we're already looking ahead to Rock Springs in 2027. Time certainly flies when you're having fun!

Our Executive Committee met on November 1, and we had some really good discussions about the future of Streaming Musicians, particularly how we can continue growing our membership, getting more people involved, and making our presence at the International Rally even better.

One thing that continues to stand out is how many Airstream Club members don't realize that the Streaming Musicians Intra-Club exists, or that they can participate in the band, choir, and other musical activities at the International Rally. We have a wonderful group of talented people, and I believe there's a tremendous opportunity to reach even more members. Whether someone has been playing an instrument for decades, enjoys singing, or simply loves music, there's a place for them in our group.

We're already looking at ways to improve our communications, expand our outreach, and build on the success of our activities in Minot. The Block Party was a great example of what we can accomplish when we come together, and we're hoping to bring that same energy and enthusiasm to Rock Springs.

Annual Business Meeting Coming in December

I also want to give everyone an early heads-up that we'll be holding our Annual Business Meeting on Sunday, December 20 at 7 PM EST. Please add this to your calendar, download Microsoft Teams, if you haven't before, and use this link to join:

Streaming Musicians Business Meeting | Microsoft Teams | Meetup-Join

This is an important opportunity for our members to hear what's happening within the Intra-Club, discuss plans for the coming year, and have a voice in our future. Since this isn't an election year, we anticipate a fairly straightforward business meeting.

We're also having a virtual Happy Hour immediately following the meeting. Nothing formal, just an opportunity to visit, catch up with friends, and enjoy some fellowship. I hope you'll consider joining us for both!

As we approach the holiday season, I also want to thank everyone who continues to support Streaming Musicians. Whether you're performing, helping behind the scenes, sharing information with other members, or simply cheering us on, you're an important part of what makes this group special.

I look forward to what we can accomplish together in the coming year, and I hope to see many of you at our December meeting.

Until then, keep the music playing!

Your Lift for Visibility

Most of you are getting this Newsletter because we **LOVE staying in touch with fellow musicians in the Airstream community. Only about 100 of you have added the *Streaming Musicians Intra-club* to your ACI membership. It's only $10. We are completely volunteer led and administered. We use the dues to cover inventory purchases, banking fees, and facility rents.**

Will you add YOUR small contribution to help lift the load? We'd love to have you CLICK THIS LINK, and scroll down to join today.

Band Director's Corner
November 2026 — Sign Up for Rock Springs

Hello all,

I am not sure about everyone else but our experience in Minot was wonderful!

I was so very proud of how well we all worked together, filling in parts as needed to make sure that each song sounded its best. Could not have asked for a better group! Thank you all!

Rock Springs International Rally is a short 8 months away. Please find the tentative rehearsal schedule on the next page…

The sign up genius for band and choral participation is Active Now! We will once again be partnering with a community band and possible students from Rock Springs High School.

Tell me you're coming to Rock Springs by using the link below, it only takes a minute.
