President's Corner

June 2026

Hello Streaming Musicians!

Summer is arriving, travel season is ramping up, and before we know it, many of us will be heading to the International Rally in Minot!

We recently scheduled a business meeting and virtual happy hour. Unfortunately, we didn't quite have enough members join us to establish a quorum for the business portion, and our happy hour gathering was a smaller group than expected. That said, it gave us a chance to reflect on an important question — what would you like to see from the Streaming Musicians Intra-Club?

Our goal is to make this a fun, engaging, and worthwhile group for members who share a love of music. Maybe that means more social connection, music discussions, performance stories, equipment talk, educational topics, jam sessions, or something we haven't even thought of yet. We'd really love to hear your ideas.

We still have flags available for purchase. Order your flag here and show off your Streaming Musicians pride: <https://pci.jotform.com/form/260962501539156>

A reminder, too, that we are still looking for volunteers to help with our Streaming Musicians get-together at the International Rally in Minot. If you'll be attending and can lend a hand, please let us know. It's always more enjoyable when members pitch in, and it helps make our gathering a success.

As we look ahead, your input matters. What would make Streaming Musicians more valuable, more fun, or more engaging for you? Don't be shy — send along your thoughts and suggestions!

Until next time, keep practicing, keep performing, and most importantly... keep the music playing!
