Summer Update

South Carolina Coastal Airstream Club Members:

Woody and I hosted our June rally, **“Wine a Little, Laugh A Lot,”** and I thought it was a huge success. We had a fantastic time at CarrollWoods RV Campground. Our time together was filled with wine-themed activities, and our members' creativity was on full display during the wine glass painting session.

The wine-themed bingo was enjoyed by all the participants, and we even had some winners other than Dale and Sandy! We also enjoyed a wine tasting event on the porch, live music on the porch, and music around the campfire. We shared a delicious meal and great fellowship at Hwy 9 Grillhouse.

Lastly, I would like to thank everyone who attended and helped with the June rally. A special thank-you to Henry and Melinda for Margarita Thursday! We had so much fun, and I can't thank you enough for all the support you provided throughout the weekend.

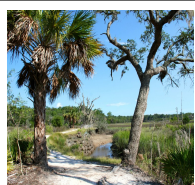

Without a doubt, our rallies are the best, and I appreciate every single one of you. Thank you for your support, enthusiasm, and lively spirit.

Our club will be well represented at the 69th International Rally in Minot, ND, in August. Woody and I are leading a mini caravan to the International Rally. We have nine rigs traveling to represent our club.

Woody and I will be volunteering at the badge table and the ACI Store. I will be carrying our club's flag and attending the leadership luncheon. Sandy and Dale Houge will be participating with the Grapes and Grains Intra-Club.

It is great to see our members getting involved and giving back to the club. The more involved you become, the more fun you'll have.

If anyone is interested in attending the International Rally and would like to join the mini caravan so they can park with our club members, please contact Woody at 919-521-1416 or woodward.aichner@gmail.com

Be safe this summer as you travel and be on the lookout for our September Newsletter coming out in August with information on the activities for the September rally at Skidaway Island State Park.

My Very Best to all of you,

Esther

SC Coastal Airstream Club President
