Central Indiana Airstream Club – April, 2026

Happy April!

April has arrived in Central Indiana, and with it comes that familiar sense of anticipation that signals the start of a new travel season.

Spring brings greening landscapes, opening campgrounds, and longer daylight hours—perfect for getting our Airstreams back on the road. It also brings a little unpredictability, which keeps us attentive and reminds us why flexibility and preparedness are such important parts of the journey. As we roll into April, it's a great time to reconnect with fellow club members, share stories from the road, and look ahead to the adventures waiting just beyond our driveways.

One key to enjoyable spring travel is staying weather-aware. In our region, conditions can change quickly, sometimes within the same day. Before heading out, make it a habit to check forecasts not only for your destination, but also along your route. Keep an eye on wind speeds—strong crosswinds can affect towing comfort—and be mindful of severe weather alerts, especially during peak storm season. Having a weather app handy, knowing where safe shelter options are located, and being willing to pause or adjust plans can make all the difference. A little extra awareness helps keep us safe, protects our rigs, and ensures that every trip starts—and ends—on a positive note.

“Where the forecast may change—but the adventure never does.”

Safe Travels ~

Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".

Answers: Four Wheel Drive, Apple Pie
