Central Indiana Airstream Club – July, 2026

Message from President Kristy Boyer ~

Happy 250th to our wonderful America! It's already July and the heat is on. I hope you are having a fabulous summer and making memories in your shiny trailers. Brant and I have barely even started as President and 1st Vice President, but we want to take a few minutes to ask you to consider a board member position in 2027.

Every successful club has one thing in common—a group of members willing to share their time and talents. Volunteering is what keeps our Airstream community active, welcoming, and enjoyable for everyone.

Whether it's organizing rallies, welcoming new members, planning social events, or serving in a leadership role, every volunteer makes a difference. The friendships we build, the adventures we enjoy, and the memories we create are all possible because members step forward to help.

As we look ahead to 2027, our club is seeking members who are willing to serve as 1st and 2nd Vice President positions. The new term begins in January 2027, and now is the perfect time to start thinking about how you can contribute.

You don't have to have all the answers or years of leadership experience. Our club has a strong tradition of members helping one another, and outgoing officers are available to share their knowledge and ensure a smooth transition. Serving in an office is also a wonderful opportunity to meet more members, help shape the future of our club, and give back to a community that has given so much to all of us. If you've ever thought, "Maybe someday," consider making 2027 your year. Fresh ideas, new perspectives, and enthusiastic volunteers keep our club vibrant and growing.

If you are interested in learning more about the responsibilities, or if you'd like to nominate yourself or another member, please contact me or another member of the board. We'd be happy to answer your questions.

Together, we can ensure that our club continues to thrive for many years to come. Thank you to everyone who has volunteered in the past and thank you to those who are considering stepping up to serve in the future.

Happy Streaming!

Madison 2026...and 2027?

An amazing time was had by all during the recent Region 5 Special Event rally in Madison, Indiana. Camping along the riverfront was an experience and fortunately the weather started out a little hot, but with minimal rain. (unlike the following week when severe storms with straight line winds attacked Madison and nearby Hanover.) Keep watch for information about a possible Rollin' on the River Part II in August, 2027.

Recommended sites in the campground.

The Savanna Loop: electric sites, offer a spacious 'backyard', good for gathering space. Sites 200–210; 248–238 back up to each other
Sites 201–211 are nearby.

The Spruce Loop: Full hookup sites are more woodsy and have less yard, but are lovely. Would recommend those if full hookups are desired.

Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".
