CIAC The Ticker

Central Indiana Airstream Club – September 2026

Happy September! President's Message

President's Message

Welcome to the **Fall camping season!** There's something special about this time of year—cooler temperatures, beautiful fall colors, and plenty of opportunities to gather with friends around the campfire... and, of course, football! I hope everyone has had a wonderful summer and is looking forward to the adventures still ahead.

For those of you who attended the **International Airstream Rally in Minot, North Dakota**, this year, I hope you had a fantastic experience! What a great opportunity to meet fellow Airstreamers from across the country, make new friends, and enjoy everything an International Rally has to offer. We'd love to hear about your experiences and favorite memories.

We have several exciting events still on the calendar. **This weekend we'll be gathering at Lake Monroe**, and I'm looking forward to seeing many of you there. Our **season closer will be in October at Prophetstown State Park**, which is sure to be a great way to wrap up another fun camping season. And before we know it, we'll be gathering again in **December for our Holiday Luncheon**—a wonderful opportunity to celebrate our club and the friendships we've made throughout the year.

Thank you to everyone who continues to make our club such a fun and welcoming group. I'm excited to see everyone at our upcoming events and to enjoy the rest of the camping season together.

A special **thank you to our Vice President, Brant, for editing this month's newsletter**. We appreciate all the time and effort you put into keeping our club informed and connected! As Jenn Reinshagen rolls off to her new role, we want to send a huge thank you for all she has done for our club and Region!

Happy camping, everyone, and I'll see you down the road!

Vice President Message

Hi everyone. Just a few updates here. I will be taking over The Ticker from Jenn Reinshagen. Thanks, Jenn, for all your hard work over the years editing this content. If any members have something to add to the newsletter, please send those over to me! Please share pictures from any rallies or caravans this year.

Some pics from the Minot Rally would be great. The international rally is a great way to meet members from across the country.

In addition, I would like to propose a new segment to the Ticker: "Hoosier Streamer". We will spotlight a different BRN each newsletter to get to know our club members better. So be on the lookout for a brief email questionnaire. Hopefully newer members like me can get acquainted with everyone since we only see each other a few times each year. I am originally from Pittsburgh PA, and yes, I am a Steeler fan. You could say I am a Yinzer now a Hoosier. Now we are also casual IU fans after our nephew graduated from IU. Camping was a part of my childhood, and now later with Kristen. The Caravel 20 FB is our second camper. Previously we had one of those stick built trailers. We like to camp at state parks around the midwest with the fur babies. I will be bringing the rig to Paynetown and probably a day visit to Prophetstown rally. I hope to see most of you at the next few events.

Recommended sites in the campground.

The Savanna Loop: electric sites, offer a spacious 'backyard', good for gathering space. Sites 200-210; 248-238 back up to each other
Sites 201-211 are nearby.

The Spruce Loop: Full hookup sites are more woodsy and have less yard, but are lovely. Would recommend those if full hookups are desired.
