

**Airstream Rivet Kit** —Airstream has put together a one stop shop for your rivet needs. We have designed a convenient foam padded carrying case and up fitted it with a selection of 5 commonly used rivet fasteners as well as 3 different drill bits sizes for their installation. The kit also includes a premium brand adjustable pop rivet gun with adjustable positioning head. We also have a more in depth rivet kit which includes an Olympic Rivet Shaver head for those of you who may be doing repair work on older Airstreams. A riveting you can go! You can contact us if interested at 937-596-6111 ext. 7400 or 7418.
